## CRITICISM HELD RESULT OF PLOT

### Administration Officials Believe Mexican Officials Act in Concert.

Administration officials profess to be Heve that the highest officials of the Mex- fourteen years doing away with the 722,700 ican government, including Gen. Carranza, are making a concerted attempt to affect the political situation in the United States. This belief is based on an extraordinary number of statements. extraordinary number of statements. criticising the administration and attacking American officials, that have come to
the attention of the State Department in the attention of the State Department in the last twenty-four hours.

The statement was given out here Sa urday by the Mexican Embassy's official news bureau, and credited to Luis Cabrera, which Cabrera disavowed yesterday, was in part substantiated yesterday by the Mexican Embassy.

#### Carranza Also Critical.

simultaneously with these statements the State Department has re-ceived from its agents in Mexico City copies of interviews authorized by Carranza, accusing President Wilson of failure to keep faith with Mexico, and a statement by Gen. Pablo Gonzales, published in Carranza's official organ in Mexteo City, accusing Mr. Wilson of lack of frankness and of an "unclean" policy. The Cabrera denial of the interview characterizing American border officials as "supine" is considered here as diplo-matic, but sufficient to prevent this gov-ernment from taking official cognizance. ernment from taking official cognizance.

Ambassador-designate Arrendondo made
this statement concerning it yesterday.

"Speaking about the situation in gen
"Speaking about the situation in gen-

"Speaking about the situation in general, and especially in Chihuahua, as to how Villa had been able to cause such alarm, Mr. Cabrera said, not for publication and without expectation that his re-marks would be used:

The American government could help us by increasing its vigilance to prevent ammunition from getting into the hands of Villa and by expelling from the United States a great number of Mexican refugees who are very well known as enemies of the de facto government of Mexico. This the American government could do neutrality laws."

#### Written Without Authority,

Mr. Arredondo declared that the above Cabrera's name.

of the Mexican section of the joint American-Mexican Commission, over whose sessions he presides alternately with Secretary Lane, is secretary of finance of Mexico. The fact that he is considered the strongest man in the Mexlean cabinet added, in the view of of-ficials here, to the gross impropriety of

The offense against the government, in thé Cabrera-Arredondo utterances, it was aid, was that Cabrera, as the represent ative of the Mexican government, made representations to the American press rather than to the commission or to the

female politician is given more power. "As a matter of fact, the anti-suffragists have never been financed by the liquor interests to the extent of a single penny."

## SCHOOLBOY ENGINEER **COMPANIES PROPOSED**

Dr. Van Schaick Tells of Plan to Extend Military Training.

A plan to increase the scope of military training in the public schools of the District was outlined by Rev. John Van Schaick, president of the Board of Education, in an address at the Metropolitan A. M. E. Church last night.

In addition to cadet infantry drills, it is proposed to form engineering com-

panies which will be instructed in bridge building and other engineering problems. These companies are to constitute a separate uit, with distinctive competition in the annual contests. They will not be given infantry drill.

"To start with," said Dr. Van Schaich "companies could be formed at the Mc-Kinley and Armstrong High Schools and later at other schools. Bridges could be constructed in Rock Creek Park and many of the repairs and improvements at H. R. Wilken Arrested After Chase schools could be made by the students."
